

| Trauma 2019 Program | | | | | |
|-------------------------|--|-------------|--|-------------|---|
| Thursday 3 October 2019 | | | | | |
| 0900-1100 | Trauma Research Forum <i>Hobart Room</i> Chair: Dr Tony Joseph and Prof. Belinda Gabbe | 0900-1230 | REBOA Workshop <i>Edwin Flack Room</i> Chair: A/Prof. Daniel Ellis | 0830-1530 | Trauma Nursing / Trauma Data Management Workshop <i>Adelaide Room</i> Chairs: Helen Jowett and Alicia Jackson |
| 1300-1700 | Radiopaedia Trauma Radiology Workshop <i>Hobart Room</i> Chairs: Dr Craig Hacking and Dr Andrew Dixon | 1400-1700 | SPARE <i>Edwin Flack Room</i> | | |
| 1700-1900 | Injury Reviewer Workshop and Reception <i>Hobart Room</i> Chair: Dr Ian Civil | | | | |
| Friday 4 October 2019 | | | | | |
| 0800-1000 | Opening Plenary Session 1 <i>Sydney Room</i> Chair: Prof. Michael Parr | | | | |
| 0800-0805 | Welcome to Country | | | | |
| 0805-0815 | Official Opening The Hon. Brad Hazzard, NSW Minister for Health and Medical Research | | | | |
| 0815-0840 | Innovations in trauma resuscitation - Now and next Prof. Karim Brohi | | | | |
| 0840-0905 | Shock assessment, what do we really know? Prof. Krista Kaups | | | | |
| 0905-0930 | Digital technology in trauma management and measuring outcomes Prof. Branko Celler | | | | |
| 0930-0955 | What is the evidence for current injury prevention strategies Dr Kate Hunter | | | | |
| 0955-1000 | Questions | | | | |
| 1000 - 1030 | Morning Tea <i>Foyer and Brisbane Room</i> | | | | |
| 1030 - 1230 | Concurrent Session 1 - Trauma Surgery Conundrums <i>Perth Room</i> Chair: Dr Sudhakar Rao | 1030 - 1230 | Concurrent Session 2 - Trauma Radiology <i>Sydney Room</i> Chairs: Dr Craig Hacking and Dr Andrew Dixon | 1030 - 1230 | Concurrent Session 3 - Free Papers <i>Melbourne Room</i> Chair: Helen Jowett |
| 1030-1050 | Penetrating neck injury Dr Li Hsee | 1030-1050 | Trauma chest x-ray Dr Andrew Dixon | 1030-1045 | Determining the priorities for change in paediatric trauma care delivery in NSW, Australia Prof Kate Curtis |
| 1050-1110 | Brachial plexus injury: An update on diagnosis and treatment Dr Brahman Sivakuma | 1050-1110 | Dual bolus CT in trauma Dr Craig Hacking | 1045-1100 | Evaluating the impact of simulated multidisciplinary trauma team training on patient outcomes and team performance to inform translation to clinical practice. Dr Margaret Murphy |
| 1110-1130 | Recent advances in the management of severe traumatic brain injury Dr Nick Little | 1110-1130 | Common misses and misinterpretations on trauma CT Dr Andrew Dixon and Dr Craig Hacking | 1100-1115 | Abdominal CT imaging in paediatric trauma: guiding better decisions Dr Warwick Teague |
| | | | | 1115-1130 | “When you live regionally you just don’t have that access.” Provider perceptions of access to healthcare for seriously injured patients. Miss Jemma Keeves |
| 1130-1150 | Contemporary management of spinal cord injury Dr Jonathon Ball | 1130-1150 | Trauma cervical spine MRI Dr Andrew Dixon | 1130-1145 | Perineal trauma in children- the bottom line Dr Susan Jehangir |
| | | | | 1145-1200 | Reliability, validity and responsiveness of four outcome measures for assessing mobility and physical function in patients following traumatic injury Mrs Sara Calthorpe |
| | | | | 1200-1215 | The Comprehensive Trauma Life Support (CTLS) course in India Dr Nagarajan Ganapathy |
| 1150-1210 | Pelvic trauma controversies Prof. Zsolt Balogh | | | | |

| | | | | | |
|--------------------------------|---|-----------|--|-----------|--|
| 1210-1230 | Questions | 1150-1230 | Quiz session Dr Andrew Dixon and Dr Craig Hacking | 1215-1230 | The Development of a Nurse-Led Tertiary Survey Process Mr Matthew Sawyer |
| | Lunch | | | | |
| 1230 - 1330 | Foyer and Brisbane Room | | | | |
| | Australasian Trauma Society - Annual General Meeting | | | | |
| 1245-1330 | Sydney Room | | | | |
| | Concurrent Session 4 - Trauma Education and Teaching Perth Room | | Concurrent Session 5 - Paediatric Trauma Sydney Room | | Concurrent Session 6- Trauma Rehabilitation Melbourne Room |
| 1330-1530 | Chair: Andrea Herring | 1330-1530 | Chair: Prof. Andrew Holland | 1330-1530 | Chair: A/Prof. Daniel Ellis |
| 1330-1350 | Avoiding burnout (in trauma surgeons/clinicians) and promoting resilience Prof. Krista Kaups | 1330-1350 | Paediatric burns: What’s new in resuscitation and emergency care? Dr Warwick Teague | 1330-1350 | Brain injury in adults Dr Clayton King / Dr Stephen Buckley |
| 1350-1410 | Improving the NSW Trauma System Dr Michael Dinh | 1350-1410 | Paediatric injury outcomes and advocacy: Using research to change practice Prof. Kate Curtis | 1350-1410 | Closing the gap in rehabilitation Dr Alison Drewry |
| 1410-1430 | Trauma team training: Real time Auckland Uni group Ms Kaylene Henderson | 1410-1430 | Splenic trauma in children: An update Dr Susan Adams | 1410-1430 | PTSD after Trauma - latest Research Prof. Richard Bryant |
| 1430-1450 | Training the police force for Trauma Management Dr Kenji Inaba | 1430-1450 | Psychological first aid response for children after major trauma Ms Helen Jowett | 1430-1450 | Physical rehabilitation: challenges Mrs Sara Calthorpe |
| 1450-1510 | Human factors in trauma team training Dr Christine Bowles | 1450-1510 | Paediatric open fracture management Dr Oliver Birke | 1450-1510 | PTA testing practice and pitfalls Ms Georgie Farrar |
| 1510-1530 | Trauma Verification and injury prevention:what can we learn? Ms Megan Oakey | 1510-1530 | Brain injury in children Dr Mary-Clare Waugh | 1510-1530 | Pain management after Trauma Dr Newman Harris |
| | Afternoon Tea | | | | |
| 1530 - 1600 | Foyer and Brisbane Room | | | | |
| | Plenary Session 2 Sydney Room | | | | |
| 1600-1800 | Chair: Dr Tony Joseph | | | | |
| 1600-1630 | Gordon Trinca lecture Move fast and break things - Trauma Advocacy 2019 Dr John Crozier | | | | |
| 1630-1655 | Elderly trauma and the implications of frailty for outcomes Prof. Sue Kurrle | | | | |
| 1655-1720 | The impact of the frail elderly on the Australasian trauma system design Prof. Peter Cameron | | | | |
| 1720-1745 | The London trauma system - Power in collaboration Prof. Karim Brohi | | | | |
| 1745-1800 | Questions | | | | |
| | Welcome Reception | | | | |
| 1800 - 2000 | Foyer and Brisbane Room | | | | |
| Saturday 5 October 2019 | | | | | |
| | ROTEM/TEG Breakfast Workshop Melbourne Room | | | | |
| 0700 - 0820 | A/Prof. Daniel Ellis | | | | |
| | Plenary Session 3 - Trauma Coagulopathy Sydney Room | | | | |
| 0830 - 1030 | Chair: Prof. Michael Parr | | | | |
| 0830-0855 | Surgical and adjunctive control of bleeding in coagulopathic patient Prof. Krista Kaups | | | | |
| 0855-0920 | Contemporary management of trauma induced coagulopathy Prof. Karim Brohi | | | | |
| 0920-0945 | An update on the THANZ Guidelines for the diagnosis and management of venous thromboembolism Dr Chris Ward | | | | |

| | | | | | |
|-------------|---|-------------|--|-------------|--|
| 0945-1010 | ROTEM :is it useful in the exsanguinating patient? A/Prof. Daniel Ellis | | | | |
| 1010-1030 | Questions | | | | |
| 1030 - 1100 | Morning Tea <i>Foyer and Brisbane Room</i> | | | | |
| 1100 - 1230 | Concurrent Session 7- Trauma Management and Outcomes <i>Perth Room</i> Chair: Dr Kate Martin | 1100 - 1230 | Concurrent Session 8 - Special Trauma Groups <i>Sydney Room</i> Chair: Prof. Kate Curtis | 1100 - 1230 | Concurrent Session 9 - Free Papers <i>Melbourne Room</i> Chair: Maxine Burrell |
| 1100-1115 | Collaboration for better outcomes in ICU patients Prof. Krista Kaups | 1100-1115 | Trauma Management in the NSW Prehospital Environment Dr Shane Trevithick | 1100-1115 | Pre-injury health status of major trauma patients with orthopaedic injuries Mr Asmare Gelaw |
| 1115-1130 | 37 years since the first trauma team; what has changed ? Dr Phil Kay | 1115-1130 | Forensic trauma pathology and lessons learnt Dr Johan Duflou | 1115-1130 | Optimizing access and configuration of trauma centre care in New South Wales Dr Dr Michael Dinh |
| 1130-1145 | Withdrawal of treatment and organ donation in the ICU Dr Michael Parr | 1130-1145 | Trauma in pregnancy : an obstetrician's perspective Dr Alastair Morris | 1130-1145 | Psychiatric comorbidities in adult survivors of major trauma: findings from the Midland Trauma Registry Dr Grant Christey |
| 1145-1200 | Is damage control causing more damage? The open abdomen in trauma Prof. Krista Kaups | 1145-1200 | Family violence; Strengthening the hospital response Ms Helen Jowett | 1145-1200 | Correlating injury severity scores and major trauma volume using a state-wide in-patient administrative dataset linked to trauma registry data - a retrospective analysis from New South Wales Australia Dr Michael Dinh |
| 1200-1215 | Rural trauma: How to achieve high performance results Dr Sally McCarthy | 1200-1215 | Trauma within the Australian Indigenous population Dr Michelle Withers | 1200-1215 | Pelvic Floor Dysfunction Post Pelvic Trauma Mrs Stephanie Hawkins |
| 1215-1230 | Questions | 1215-1230 | Questions | 1215-1230 | Physical activity and sedentary behaviour six months after orthopaedic trauma: what factors predict recovery? Dr Christina Ekegren |
| 1230 - 1330 | Lunch <i>Foyer and Brisbane Room</i> | | | | |
| 1330-1500 | Concurrent Session 10 - Musculoskeletal Trauma <i>Perth Room</i> Chair: Trish McDougall | 1330-1500 | Concurrent Session 11 - Prehospital Trauma Innovations <i>Sydney Room</i> Chair: A/Prof. Daniel Ellis | 1330-1500 | Concurrent Session 12 - Free Papers <i>Melbourne Room</i> Chair: Alicia Jackson |
| 1330-1350 | Innovations in trauma care osseointegration Dr Kevin Tetsworth | | Major crash simulation and management Managing a multi-trauma event including scene management, police involvement, pre-hospital blood use and traumatic cardiac arrest Dr Alex Tzannes Dr Clare Richmond Ms Sophie Shand | 1330-1345 | The Role of the Digital Rectal Examination in the Initial Assessment of Trauma: A Systematic Review Dr Kirsten Biddle |
| 1350-1410 | Impact of rib fixation on quality of life after major trauma with multiple rib fractures Dr Kate Martin | | | 1345-1400 | Does chemoprophylaxis prevent venous thromboembolism in burns patients? Findings from the Burns Registry of Australia and New Zealand Dr Lincoln Tracey |
| 1410-1425 | Burns and extremity trauma: A collaborative approach Dr Rowan Gillies | | | 1400-1415 | Regional variations in burns first aid treatment. Does where you live relate to mortality? Ms Jennifer Gong |
| 1425-1440 | Management of complex foot and ankle injuries Dr Andrew Wines | | | 1415-1430 | Overview of Major Traumatic Injury In Australia – Benchmarking Between Facilities Prof Peter Cameron |
| 1440-1455 | Evidence based management of acute spinal injuries Dr Lisa Sharwood | | | 1430-1445 | Designing trauma systems for the future Dr Ben Beck |

| | | | | | |
|------------------------------|---|--|--|-----------|--|
| 1455-1500 | Questions | | | 1445-1500 | Using the Australia New Zealand Trauma Registry to Benchmark Processes of Trauma Care Dr Ian Civil |
| 1500 - 1530 | Afternoon Tea <i>Foyer and Brisbane Room</i> | | | | |
| | Plenary Session 4 - Disaster Preparedness | | | | |
| | <i>Sydney Room</i> | | | | |
| 1530-1730 | Chair: Dr Ian Civil | | | | |
| 1530-1555 | The frail elderly patient: Increased numbers and can we predict survival ? Prof. Ken Hillman | | | | |
| 1555 -1620 | Mass casualty preparedness in NZ: The Christchurch experience Dr Chris Wakeman | | | | |
| 1620-1640 | Mass casualties in burns: How to manage Dr Jason Brown | | | | |
| 1640-1700 | Australasian Mass Casualty Preparedness: Are we ready? Prof. Belinda Gabbe | | | | |
| 1700-1715 | Questions | | | | |
| | Conference Dinner | | | | |
| 1930-0000 | <i>Perth/Melbourne Room</i> | | | | |
| Sunday 6 October 2019 | | | | | |
| | Plenary Session 5 - Best Papers of 2018/2019 | | | | |
| | <i>Sydney Room</i> | | | | |
| 0900-1000 | Chairs: A/Prof. Daniel Ellis and Trish McDougall | | | | |
| | Dr Ian Civil, Prof. Michael Parr and Dr Tony Joseph | | | | |
| | Morning Tea | | | | |
| 1000-1030 | Foyer | | | | |
| | Plenary Session 6 - Injury Prevention: A Call to Action | | | | |
| | <i>Sydney Room</i> | | | | |
| 1030 - 1200 | Chair: Dr Tony Joseph | | | | |
| | Dr John Crozier, Prof. Krista Kaups, Prof. Karim Brohi, Dr Ian Civil, Prof. Michael Parr, Andrea Herring , Dr Ben Beck, Megan Oakey | | | | |
| 1200 | Close of meeting | | | | |
